

Tinkle, Tinkle, Little Tot! 🎵 Kid Songs for Potty Training Success!

Tinkle, Tinkle Little Tot by Bruce Lansky

(tune: "Twinkle, Twinkle, Little Star")

Tinkle, tinkle, little tot
Sitting there upon the pot.
Any second now you'll see
Sprinkle, splash & you'll go pee!
Tinkle, tinkle, little tot
Sitting there upon the pot.

Poops and Pees (tune: "This is the Way We Brush Our Teeth")

Where do we make our poops and pees,
Our poops and pees, Our poops and pees?
Where do we make our poops and pees?
We make them in the potty!

Tinkle, Tinkle (tune: "Twinkle, Twinkle, Little Star")

Tinkle, Tinkle, little pee,
in the potty you will be.
Poopy, Poopy stinky-O,
In the Potty you will go.
Tinkle, Tinkle, little pee,
In the potty you will be.

When We Have to Tee-Tee

(tune: "Little Bunny Foo-Foo")

When we have to pee-pee
We go to the potty
Because we like dry pants
and wet pants are icky
When we have to poo-poo
We go to the potty
Because we like dry pants
messy pants are "Boooo!" (thumbs down gesture)

I Am Sitting on the Potty

(tune: "I've Been Working on the Railroad;" from "Dry All Day Potty Training Skills Workbook by E. D'ippolito)

Oh, I am sitting on the potty, doing my best to go.
I am sitting on the potty, being patient ever so
I can feel my body tell me
I should sit and wait
'Cause if I get up now and come back,
It will be too late!

It's Time to Go to the Potty (tune: "Let's All Go to the Lobby")

It's time to go to the potty,
It's time to go to the potty,
It's time to go to the potty,
It's time to go tee-tee!

I Have to Go to the Bathroom (tune: "The Bear Went Over the Mountain") For the first verse, hold yourself and do the pee-pee dance like you have to go really bad! Then just pantomime the other verses.)

I have to go to the bathroom,
I have to go to the bathroom,
I have to go to the bathroom,
So that is where I'll go!

I'll shut the door to the bathroom,
Pull down my pants in the bathroom,
Sit down on the toilet and that is when
I'll let it all come out!

I'll let it all come out,
I'll let it all come out.
I'll let it come out in the toilet,
And keep my pants all dry!

I'll take some toilet paper,
I'll take some toilet paper,
I'll take some toilet paper,
And wipe from front to back!

Put the paper in the toilet,
Put the paper in the toilet,
Put the paper in the toilet,
And flush it all away!

Then I'll pull up my underwear
Then I'll pull up my pa-ants,
I'm finished with the potty,
No more pee-pee dance!

Now I'll wash hands,
Now I'll wash my hands,
Now I'll wash my hands,
No more germs on me!

P is for Potty!
